Frequently Asked Questions

LICENSED ELECTRICIAN (LE) PREPARATORY COURSE

1. Where can I find the details of the Preparatory Course approved by EMA?

The details of the Preparatory Course can be found in:

- 1) SP Group (www.spgroup.com.sg)
- 2) Ngee Ann Polytechnic (www.np.edu.sg)
- 3) Singapore Polytechnic (www.sp.edu.sg)

2. What is the fee and duration of the Preparatory Course?

The duration of the course is 5 - 6 months. Please refer to SP Group, Ngee Ann Polytechnic or Singapore Polytechnic website for more information.

	Full Course Fee	Nett Fee after Subsidy		
		Singapore Citizens and Permanent Residents <40 years old	Singapore Citizens ≥ 40 years old only	Workfare Training Support (WTS)
Without GST	\$8,380.00	\$2,514.00	\$838.00	\$419.00
With GST	\$8,966.60	\$2,689.98	\$1,013.98	\$594.98

3. Who will be conducting the Preparatory Course?

The Preparatory Course will be conducted by Ngee Ann Polytechnic / Singapore Polytechnic and Singapore Institute of Power and Gas.

4. How long will be the Preparatory Course?

The course duration is 156 hours.

5. Where will the Preparatory Course be conducted?

The Preparatory Course will be conducted at Ngee Ann Polytechnic / Singapore Polytechnic and Singapore Institute of Power and Gas.

Please refer to SP Group, Ngee Ann Polytechnic or Singapore Polytechnic website for the location of each course run.

6. Is there any validity period for the result of the Preparatory Course?

The validity period for the result is two years from the date of completion of the Preparatory Course.

7. Is the Preparatory Course conducted during weekday daytime, evening time or on weekends?

The course is conducted during weekday evenings (6.30pm – 10.00pm) and Saturdays (8.30am – 5.00pm). Please refer to SP Group, Ngee Ann Polytechnic or Singapore Polytechnic website for the timetable of the course.

8. Is there any assessment for the Preparatory Course?

Yes, there will be both written and practical assessments for the Preparatory Course.

9. Is there a certificate after completion of the Preparatory Course?

Participants who have successfully pass all theoretical and practical modules will be awarded a “Certificate of Achievement” jointly issued by SIPG and SP/NP.

The “Certificate of Achievement” is required by EMA for participants without the relevant educational qualification. Participants are required to ensure that they satisfy the relevant work experience and pass the “EMA Licensing Competency Assessment” to qualify for an Electrician’s License.

Please refer to the EMA website for more information on application for Electrician’s License:
https://elise.ema.gov.sg/elise/newworkerapplicationservlet?lic_type=EL

10. If I fail a module, will I be given a 2nd chance to retake the assessment and what are the cost involved?

Participants will be allowed to sit for a re-assessment in the subsequent run if they fail. A re-assessment fee of \$53.50 applies. If they still do not pass the assessment at the second attempt, they will be required to repeat the whole module at the full fee without subsidy.

11. What is the maximum duration to complete the course?

The maximum duration to complete the course is 2 years.

12. What is the maximum class size and how many intakes are there per year?

The maximum class size per intake is 25 participants. There are two intakes each year – one in January and the second one in July.

Due to an overwhelming response, we seek your understanding that your application may be placed on the waiting list upon your submission of completed application form and supporting documents.

Our officers will contact you again when your application is ready for enrolment.
