## for LICENSED ELECTRICAL WORKERS

### Frequently Asked Questions

#### LICENSED ELECTRICIAN (LE) PREPARATORY PROGRAMME

##### 1. Where can I find the details of the Preparatory Programme approved by EMA?

The details of the Preparatory Programme can be found in:

- 1) SP Group ([www.spgroup.com.sg](http://www.spgroup.com.sg))
- 2) Ngee Ann Polytechnic ([www.np.edu.sg](http://www.np.edu.sg))
- 3) Singapore Polytechnic ([www.sp.edu.sg](http://www.sp.edu.sg))

##### 2. What is the fee and duration of the Preparatory Programme?

The duration of the programme is 5 - 6 months. Please refer to SP Group, Ngee Ann Polytechnic or Singapore Polytechnic website for more information.

	Full Programme Fee	Nett Fee after Subsidy		
		Singapore Citizens and Permanent Residents <40 years old	Singapore Citizens ≥ 40 years old only	Workfare Training Support (WTS)
Without GST	\$8,380.00	\$2,514.00	\$838.00	\$419.00
With GST	\$8,966.60	\$2,689.98	\$1,013.98	\$594.98

##### 3. Who will be conducting the Preparatory Programme?

The Preparatory Programme will be conducted by Ngee Ann Polytechnic / Singapore Polytechnic and Singapore Institute of Power and Gas.

##### 4. How long will be the Preparatory Programme?

The programme duration is 156 hours.

**5. Where will the Preparatory Programme be conducted?**

The Preparatory Programme will be conducted at Ngee Ann Polytechnic / Singapore Polytechnic and Singapore Institute of Power and Gas.

Please refer to SP Group, Ngee Ann Polytechnic or Singapore Polytechnic website for the location of each programme run.

**6. Is there any validity period for the result of the Preparatory Programme?**

The validity period for the result is two years from the date of completion of the Preparatory Programme.

**7. Is the Preparatory Programme conducted during weekday daytime, evening time or on weekends?**

The programme is conducted during weekday evenings (6.30pm – 10.00pm) and Saturdays (8.30am – 5.00pm). Please refer to SP Group, Ngee Ann Polytechnic or Singapore Polytechnic website for the timetable of the programme.

**8. Is there any assessment for the Preparatory Programme?**

Yes, there will be both written and practical assessments for the Preparatory Programme.

**9. Is there a certificate after completion of the Preparatory Programme?**

Participants who have successfully pass all theoretical and practical modules will be awarded a “Certificate of Achievement” jointly issued by SIPG and SP/NP.

The “Certificate of Achievement” is required by EMA for participants without the relevant educational qualification. Participants are required to ensure that they satisfy the relevant work experience and pass the “EMA Licensing Competency Assessment” to qualify for an Electrician’s License.

Please refer to the EMA website for more information on application for Electrician’s License:

[https://elise.ema.gov.sg/elise/newworkerapplicationservlet?lic\\_type=EL](https://elise.ema.gov.sg/elise/newworkerapplicationservlet?lic_type=EL)

**10. If I fail a module, will I be given a 2nd chance to retake the assessment and what are the cost involved?**

Participants will be allowed to sit for a re-assessment in the subsequent run if they fail. A re-assessment fee of \$53.50 applies. If they still do not pass the assessment at the second attempt, they will be required to repeat the whole module at the full fee without subsidy.

**11. What is the maximum duration to complete the programme?**

The maximum duration to complete the programme is 2 years.

**12. What is the maximum class size and how many intakes are there per year?**

The maximum class size per intake is 25 participants. There are two intakes each year – one in January and the second one in July.

Due to an overwhelming response, we seek your understanding that your application may be placed on the waiting list upon your submission of completed application form and supporting documents.

Our officers will contact you again when your application is ready for enrolment.
